In order to be considered professional, you must have worked mainly in the field of dance during the past year. That means, you've been occupied at least 50% of the working time either as a teacher, choreographer or dancer. Specific circumstances such as pregnancy, illness or the like will be taken into account. In case of doubt, Tanzbüro Basel can request more information. If your living situation in relation to dance employment should change considerably, you are obliged to notify Tanzbüro.

Tanzbüro membership costs CHF 60,- per calendar year. You can sign up directly at Profitraining classes or else separately or at a later time. As of August, membership prices are reduced.

Please keep in mind that these classes are meant primarily for professional dancers. Although advanced-level non-profis are welcome to join, Tanzbüro will evaluate and in some cases may refer amateurs to alternative classes.

Insurance is the responsibility of the dancers. The organizer can not be held liable for accidents, damages or theft.
